**Minutes:**

There were no minutes from the June 2007 meeting, there was only discussion. There was no quorum.

**Treasurer's Report:**

Lisa presented the Treasurer's Report, which covered the period from 3/29/2007 to 7/25/2007. The ending ledger balance was \$4318.34. All spring expenses are paid. Meeting and conference expenses are paid. Lisa questioned the price on the invoice from Sports Pins, the price was \$4.00 each and previously it had been \$2.50 each. Ken said he will call Jack to check on the price. Darryl moved to accept the Treasurer's Report. The motion passed.

**Upper Division:**

Ken reported on the number of upper division teams. However, these do not include the Chino teams:

U16B	13
U16G	14
U19B	6
U19G	6

The main concern Ken has right now is the lack of fields. There was discussion concerning how to fit in all the games on the available fields. There will probably be some Saturday games. Play starts the week of August 20<sup>th</sup>. There is a coaches meeting scheduled on Thursday, August 16, 2007 at 7:30. There is a referee meeting the same night at 6:30.

There was discussion concerning whether to play with Area U and how to handle the refereeing. It was agreed that it would be best to referee the home field, but Area B teams would not go all the way to Newton. Lisa said that if Area U plays, then the player agreement needs to be standardized. Ken will talk to Bev about this. Darryl moved to agree to play with the Area U upper division, if they want to. The motion passed.

**Proposed Area 1B Guidelines**

Ken would like to have the Area 1B guidelines approved before the upper division play starts. He will send in PDF format to all the RC's for approval. They will vote that way.

There was discussion concerning the guidelines for keeping track of yellow cards and for accepted ID cards. Ken will re-word these sections before sending out. Ken would also like to include the player contract in the guidelines as well as the basic tournament guidelines.

**Spring League**

There was discussion regarding the balancing of spring teams and the possibility of seeding teams during spring league.
